TECHNICAL SKILLS

JAVA, Oracle, Sybase, MySql, TIBCO, Struts 2.0, Spring, Freemarker,
Hibernate 3, JSP, Servlet, HTML, PHP, CSS, AJAX, XML, Unix.

EXPERIENCE

BNP Paribas India Solutions Private Limited, Mumbai

June 2013 - PRESENT

- As a graduate trainee, I was trained on technologies like UNIX, Struts, Spring, Hibernate, Jsp and Servlets.
- Replaced legacy system for file transfer in Windows batch scripting to better and efficient SFTP file transfer in cutting edge technology TIBCO through research and develop.
- As a Junior Software Engineer, I got to use knowledge gained on struts, java and hibernate during training phase in iCheques, a portal to manage cheques flowing between various huge corporations.
- As a Software Engineer, I had opportunity to enhance my knowledge in Sybase and Oracle 10g/11g by working on different aspects like query optimisation, complex stored procedures, Dynamic query generation, etc.
- Worked on freemarker framework combined with JAVA, Groovy, XSD for a BNP trade dispute and processing web portal.

EDUCATION

Balmohan Vidyamandir, Dadar, Mumbai - *Secondary School certificate*
August 1996- March 2007

Passed with 87.53 percentage in 'Distinction' class.

Ramnarayain Ruia Junior College, Matunga, Mumbai - *Higher Secondary certificate*
August 2007 - March 2009

Passed with 75.50 percentage in 'Distinction' class.

Watumull Institute of Electrical engineering and Computer Science, Mumbai - *Bachelor of Engineering*
August 2009 - May 2013

First class throughout 4 years course in Computer Engineering without backlogs. Graduated in BE degree with 67.33 %.

Projects completed :

University Database Management Systems , Database management Systems
It involved accumulating data, organizing it and structuring it with the help of collaborative, sequence and activity diagrams. It also involved developing a front-end application for retrieving, storing, updating and deleting records from the database using SQL commands in Oracle iSqlplus.

Car Magzine Website, Web Technologies
Involved displaying information of the top 10 automobile manufacturers in a very intuitive manner, their history as well contact information, rolling newsletters, provision to create new user accounts and also a work area for updating user profile. This projects was developed in HTML, CSS, MySql.

Airline System, Data Warehouse and Mining
This project implemented the slicing, dicing, rolling up and drilling down concepts for process mining for Airlines database system in Oracle iSqlplus.

Digital Watermarking for Video Piracy Detection, Final Year Project

It aimed at coping the problem of digital piracy by using the 'Secure Spread Spectrum Watermarking based on Chaotic Map for still' algorithm. This project was built in technologies like JAVA, HTML, CSS and has two fragments, first, core activity of detecting piracy in video, allowing original images to be digitally watermarked and extended functionality of detecting piracy in images and audio was part of a desktop application 'Piracy Shield'. Second, This desktop application was made available to only Valid users to

further qualify the possibility of unauthorised user. With additional feature to maintain the profile, contact details and feedback portal to ensure quality of the product is at high importance.

ACHIEVEMENTS

- Creative director in inter college technical festival called Ensemble.
- 2nd prize in U.V light painting competition held at college cultural festival.
- Played Throwball as part of the college team.
- Participated in Campus wall painting, an event organised for ADAPT, an NGO for disabled.
- At BNP Paribas, got opportunity to revamp the look and functionality of ordinary whiteboard, a lean process, used to track the issues, progress of tasks deadlines etc.
- Drove feedback campaign for the team in BNP Paribas, to gather valuable information from team members with much innovation and creativity keeping anonymity unharmed.
- Received acknowledgement from senior management for presentation, implementation, delivery and eye catching display of the department stall at Mobility Fair event held at BNP Paribas.
- Active involvement in each event held for underprivileged children of Aseema, NGO.
- Participated in Throwball event held at BNP Paribas Sports day in 2014 and 2015.
